2. GENERAL CONDITIONS OF USE OF THE “WEBSITE” AND THE “CONTENT”

Access to and use of the Website of the **COMPANY**, in addition to access to and use of the Content, will be subject to these General Terms and Conditions. Use of any web page owned by the **COMPANY** or of its Content confers the status of User and implies full and unreserved acceptance of all the General Terms and Conditions in force at the time the User accesses same. The **COMPANY** reserves the right to modify these General Terms and Conditions at any time. We suggest that you regularly review these General Terms and Conditions so that you are aware of their scope and of any modification that might have taken place. By accessing the Websites and/or the Content owned by the **COMPANY** following publication of a notification of such modifications, alterations or updates, you will be agreeing to be bound by the new terms. The User is aware that his/her use of the Website and/or the Content is under his/her sole and exclusive responsibility.

Some services of the Websites of the **COMPANY** and/or some Content may be subject to specific conditions, regulations and instructions that, where applicable, replace, complete and/or modify these terms and conditions (hereinafter the '**Specific Terms and Conditions**'), and which must be accepted by users before the corresponding service is provided. Provision of the service at the request of the User entails explicit acceptance of any applicable Specific Terms and Conditions.

The term “Website” includes, by way of example but not limited to, all content, data, graphics, text, logos, trademarks, software, images, animations, musical creations, videos, sounds, drawings, photographs, expressions and information, and any other content included therein and, in general, all creations expressed in any manner or medium, whether tangible or intangible, irrespective of whether or not they are covered by intellectual property rights in accordance with the Consolidated Text of the Spanish Copyright Act.

The User shall use the services and materials available on the Website, as well as the Content, solely for private purposes, excluding any other mode of use and specifically excluding any use thereof for profit or any type of benefit, direct or indirect, to the User or to third parties.

These General Terms and Conditions, as well as the Specific Terms and Conditions (which include the Rules for Special Promotions, Rules for Contests, Sweepstakes, Specific Rules for some services, etc.) that may be applied with prior notice in specific cases, are expressly and unreservedly accepted by the User simply by accessing the Website, using the materials and/or services of the Website in any way and/or accessing or using the Content in any way and/or participating in promotions or contests.

When the access and use of certain materials and/or services of the Website and/or the Content is subject to Specific Terms and Conditions, these Specific Terms and Conditions shall be made known to the User in advance, and, depending on the case, shall replace, complete and/or modify these General Terms and Conditions. Access to and use of these materials or services subject to Specific Terms and Conditions shall, therefore, imply full adherence to the Specific Terms and Conditions that govern them in the version published at the time the User accesses same, with said Specific Terms and Conditions being automatically incorporated into these General Terms and Conditions.

In the event of a conflict between the terms and conditions stated in these General Terms and Conditions and in the Specific Terms and Conditions, the terms agreed to in the Specific Terms and Conditions shall prevail, although solely with respect to the incompatible provisions and solely with respect to any materials or services of the Website and/or the Content subject to said specific regulation.

The **COMPANY** may modify the provision, configuration, content and services of the Website and of the Content, as well as the General Terms and Conditions, unilaterally and without prior notice. Should these General Terms and Conditions be replaced by others, wholly or in part, the new general or specific terms and conditions, as the case may be, shall be understood to be accepted in the same manner as described above. However, the User of the Website and/or the Content should access these General Terms and Conditions and the Specific Terms and Conditions of the services of the Website and/or the Content he/she uses periodically to be aware of changes to same, if any.

In the event the user does not accept these General Terms and Conditions or the Specific Terms and Conditions, the User should refrain from accessing the Website and/or the Content or, having accessed them, abandon them.

The User should establish adequate technical security measures to avoid undesired actions in the computer system, files and computer equipment used to access the Internet and, in particular, the Website and/or the Content, with the awareness that the Internet is not a totally secure medium. The cost of telephone access and/or other expenses necessary to access the Website and/or the Content shall be the sole responsibility of the User.

Generally speaking, the services and materials offered through the Website and/or the Content shall be available in Spanish, although the **COMPANY**, at its own discretion, may provide such services and materials in other languages as well.

3. LEGAL MINORS

Minors (under 18 years of age) are prohibited from accessing, registering, browsing, using, storing and/or downloading materials and/or using the services of any Website and/or the Content of the **COMPANY**. The User, by registering, responsibly states and guarantees that he/she is at least 18 years of age.

Given that the laws in force prohibit the advertising, sale, consumption and supply of alcohol to persons under 18 years of age, the Website and/or the Content of the **COMPANY** are reserved solely and exclusively for persons of legal drinking age. However, the **COMPANY** is unable to verify the accuracy of the age data provided and accepts no liability for any persons under the legal drinking age accessing the Website and/or the Content of the **COMPANY**. The **COMPANY** recommends that parents, representatives or legal guardians supervise or take the relevant precautions during Internet browsing by minors, and that they establish filters that define the information and content that minors can and cannot access.

4. RESPONSIBILITY OF USERS FOR USE OF THE WEBSITE AND/OR CONTENT

Under no circumstances may the User modify or remove any identifying data about the **COMPANY** that may exist. Users may only access the services and materials of the Website and/or the Content through the means or procedures made available to them for this purpose on the Website itself and/or in the Content, or those which are used habitually on the Internet for this purpose, provided that this does not entail any violation of intellectual/industrial property rights or any type of damage to the Website and/or the Content, or to its information or to the services offered.

The User is obliged to use the services, information and materials of the Website and/or Content of the **COMPANY** in accordance with the law and these General Terms and Conditions. Under no circumstances may use of the Website and/or the Content by the User infringe the laws in force, morality, decency or public order.

The user

must make proper and legal use of the services, information and materials of the Website and/or the Content at all times.

The user may:

- Use the services and materials of the Website and/or the Content for exclusively private purposes.

Under no circumstances may the User engage in the following activities:

- a) Disseminate content or propaganda of a racist, xenophobic, pornographic, obscene, or denigrating nature or which incites or promotes acts that are criminal, violent, defamatory or
○ degrading on the basis of gender, religion or beliefs; or which encourage, promote or incite, directly or indirectly, terrorism; or which are contrary to the human rights and fundamental rights and liberties of third parties, the laws in force, morality, decency or public order; or for injurious purposes which could undermine, damage or prevent access to same in any way, to the detriment of the **COMPANY** or of third parties.
- b) Carry out acts contrary to the intellectual and/or industrial property rights of their legitimate owners.

- f) Use the services and materials offered through the Website and/or the Content in a manner contrary to the General Terms and Conditions and/or the Specific Terms and Conditions that govern the use of a determined service and/or content and to the detriment of the rights of other users.
- g) Eliminate or modify in any way the devices for protecting or identifying the **COMPANY** or their legitimate owners which the Website and/or the Content may contain, or the symbols, logos or brands that the **COMPANY** or the third-party owners may incorporate into their creations and which could be subject to intellectual or industrial property rights.
- h) Include, without prior written authorisation from the **COMPANY**, on web pages and/or applications under the responsibility of or owned by the User or by third parties unauthorised “metatags” corresponding to brands, logos, commercial names or distinctive signs owned by the **COMPANY**, or using brands, logos, commercial names or any other identifying

sign subject to intellectual or industrial property rights, without the prior explicit, written authorisation of their legitimate owner.

- i) Include on a website and/or in applications under responsibility of or owned by the User a hyperlink which generates a window or session in a browser that includes his/her own brands, commercial names or distinctive signs and through which the Website and/or the Content are displayed.

The User shall be liable to the **COMPANY**, or to third parties, for any damage of any type that might result from failure to comply, directly or indirectly, with these General Terms and Conditions. The **COMPANY** shall ensure respect at all times for the current legal system and reserves the right to deny at its discretion, wholly or in part, at any time and without prior notice, access by any User to the Website and/or the Content when one or more of the conditions described in this clause are met.

5. USER IDENTIFIERS AND PASSWORD

The **COMPANY** reserves the right to request that users register for access to certain services or information of the Website and/or the Content, for which the User will be prompted to choose a user name and password that allows personal identification of the person (“name” and “password”). Once the user profile has been created, the user identifier shall serve as a single identifier for all of platforms of the **COMPANY** and associated companies. You can obtain more information about the single user registration in the Privacy and Protection of Personal Data Policy.

The access credentials assigned shall be personal and untransferable, with transfer, even on a temporary basis, being prohibited. To that effect, the User promises to make diligent use of and keep secret the user names and passwords assigned, if applicable, for accessing the Website and/or the Content. In the event that the User is aware of or suspects loss, theft or use of his/her password by third parties, he/she should notify the **COMPANY** as soon as possible.

The User shall be responsible for any expenses and for any damage caused by access to and use of the Website and/or the Content by any third party who makes use of the User’s password(s) and user name(s) due to careless use or loss of same by the User.

6. SPECIFIC TERMS AND CONDITIONS FOR PARTICIPATING IN CONTESTS

If a User chooses to register to participate in contests, draws, promotions and other special services that the **COMPANY** may offer on its Website, he/she will be asked to complete specific forms in each case, filling in at least the fields indicated as mandatory for the purposes of the services in question. Once the form has been completed correctly, an electronic mail shall be sent confirming the address entered by the User.

It shall be the responsibility of the User to ensure that all the information provided during participation in these services (contests, draws, special promotions, etc.) is truthful and current.

The mandatory fields are specified in the form itself, and if the User refuses to complete them, he/she will not be able to register as a participant in the activity.

Having registered and after completing the form, the User may be required to enter additional information to ensure that the **COMPANY** is in compliance with all the requirements of the Spanish Organic Law on Processing of Personal Data (LOPD) and additional legislation in processing all the personal data provided and that this is explained in the Privacy Policy and Personal Data Protection section.

The rules and procedures for participation in contests, draws and other special promotions and specific services shall be established in the Specific Rules for each of them.

7. INTELLECTUAL AND INDUSTRIAL PROPERTY

All the materials and information from the Website and/or the Content of the **COMPANY** are subject to current regulations governing intellectual and/or industrial property. The rights with respect to the materials and other elements displayed on the Website and/or the Content (including, by way of example, but not limited to, drawings, text, graphics, photographs, audio, video, software, distinctive signs, etc.) belong to the **COMPANY** or, if applicable, to third parties that have consented to the transfer of same to the **COMPANY**. Likewise, all logos, commercial names, domains and brands owned by the **COMPANY** are its property.

Any materials and information the User may contribute to the Website and/or the Content of the **COMPANY** (photographs, audio, video, etc.) must respect the image and intellectual property rights (if any) associated with them, with the User being the only party liable for any claim that may exist against the **COMPANY** as a result of the use and dissemination of these materials and information.

Accessing, browsing, utilising, placing and/or downloading materials and/or use of services of the Website and/or the Content by the User, will under no circumstances be understood as renunciation, transmission, licence or total or partial transfer of the rights of the **COMPANY** or, if applicable, on the part of the holder of the corresponding rights. The User has only a strictly personal and private right, exclusively for the purpose of enjoying the services, and is absolutely prohibited from utilising them for profit or commercial purposes.

Therefore, deleting, evading or tampering with the copyright notice or any other information defining the rights of the **COMPANY** or of its respective owners included in the content and/or services, as well as the technical devices for protection or any other mechanisms for information and/or for identification that may be contained in same.

In particular, the use of any materials or elements of the Website and/or the Content for inclusion, wholly or in part, in other websites outside the Website and/or the Content is absolutely prohibited without the prior, written consent of the owners of the Website.

Use of any references to commercial or registered names and brands, logos or other distinctive signs, whether owned by the **COMPANY** or by third companies, is implicitly prohibited without the consent of the **COMPANY** or of their legitimate owners. At no time, unless explicitly stated otherwise, does access to or use of the Website and/or the Content grant the User any rights over the brands, logos and/or distinctive signs included on it and protected by law.

All intellectual and industrial property rights are reserved, and, in particular, it is prohibited to modify, publish, copy, reuse, exploit in any way, reproduce, transform, dub, subtitle, transfer, sell, lease, provide, publicly communicate or

Should an action or omission, culpable or negligent, directly or indirectly attributable to the User of the Website and/or the Content that gives rise to the infringement of the intellectual and industrial property rights of the **COMPANY** or of third parties, result in damages, losses, joint and several liabilities, expenses of any type, sanctions, coercive measures, fines and other sums arising from or related to any claim, lawsuit, legal action or proceeding, be it civil, criminal or administrative, the **COMPANY** shall be entitled to bring proceedings against this User using all means at its disposal and claim any amounts on the basis of indemnity, moral damage or damage to its image, consequential damage and lost profits, advertising costs, or of any other type that might serve as redress, amounts of fines or verdicts, interest for late payment, cost of financing all the amounts by which the **COMPANY** may be harmed, legal and defence costs (including solicitors and attorneys) in any proceeding in which the **COMPANY** may be sued for the aforementioned reasons, for the damage caused by his/her action or omission, without prejudice to exercising any other actions which may legally correspond to the **COMPANY**.

Any claims that might be filed by the User in relation to possible failure to comply with intellectual or industrial property rights in relation to the Website and/or the Content should be addressed to the Legal Affairs Department of the **COMPANY**, at Calle Titán 15, 28045 Madrid.

8. INFORMATION AND ELEMENTS OF THE WEBSITE AND/OR CONTENT

a) Corporate information of the COMPANY

The User acknowledges and accepts that any information about the **COMPANY**, or the companies that are part of its business group, of an economic, financial and/or strategic nature (hereinafter “**Corporate Information**”) is provided for informational purposes only. The Corporate Information has been obtained from reliable sources but, despite having taken all reasonable measures to ensure that this information is accurate, authentic and reflective of its business results, the **COMPANY**, does not claim or guarantee that it is exact, complete or current, and you should not rely on it in absolute terms.

b) Information provided or published by users and/or third parties

The Website and/or the Content may include information or content provided by sources other than the **COMPANY**, including information provided by the users of the Website and/or the Content themselves. The **COMPANY** does not guarantee or assume any liability whatsoever for the accuracy, integrity or exactness of this information and/or content, including in the cases described in section 4, “Responsibility of Users for Use and Content”.

The User shall not introduce, store or disseminate through the Website and/or the Content any content or material that infringes intellectual or industrial property rights or, in general, any content for which he/she does not hold the right to

reproduce, distribute, adapt, copy, publish or make available to third parties by law. Information, elements or content received from the User on the Website and/or through the Content is understood to mean that which is received by any means, whether comments, suggestions or ideas, including those that contain videos, text, photographs, images, audio, software, etc. This content shall be considered transferred to the **COMPANY** free of charge for the maximum time permitted and for the entire world, and it may be used by the **COMPANY** within the limits established by the applicable regulations without any obligation related to the confidentiality of this content or information. This transfer is understood to include authorisation to use the User's own image, without compensation, when the content, in any medium or format, contains said image, for the commercial purposes of the **COMPANY**. Users are prohibited from sending information that cannot be processed in this way or which contains elements or content owned by third parties without having prior authorisation for their use.

Given the vast amount of material that can be hosted on the Website and/or in the Content, it is impossible for the **COMPANY** to verify the originality and non-infringement of the rights of third parties over the content supplied by the User, with the latter being the ultimate and sole party liable for all purposes with respect to any infringements that may be committed as a result of supplying said content.

The **COMPANY** may modify materials supplied by the User as needed in order to adapt them to the format of the Website and/or the Content.

The provisions of these general terms and conditions notwithstanding, when publication of the user-supplied content occurs as a result of the User's participation in a contest or specific promotion, or, as applicable, the specific services of the Website and/or the Content, the Specific Terms and Conditions established in the rules governing the contest or promotion and/or specific usage policies of the web service will be applied on a preferential basis in each case, with these General Terms and Conditions complementing them.

0. LINKS OR HYPERLINKS TO THE WEBSITE AND/OR CONTENT

Users who wish to introduce links or hyperlinks from their own web pages to the Website and/or the Content of the **COMPANY** must meet the conditions listed below, ignorance of which does not exempt users from liability related to failure to comply with them:

- a) The link or hyperlink shall only link to the home page of the Website but may not reproduce it in any way (inline, links, deep links, browser or border environment, copy of the text, graphics, etc.) under any circumstances.
- b) In accordance with the applicable laws in force at any given time, it shall be prohibited to establish frames of any type that envelop the Website and/or the Content or allow viewing of all or part of the Website and/or the Content through Internet addresses other than those of the Website and/or the Content and, in any case, when they allow viewing of the elements of the Website and/or the Content jointly with external content such that it:

In particular, authorisation for insertion of hyperlinks to the Website and/or the Content shall be conditional on respect for human dignity and liberty. The website on which the hyperlink is established shall not contain content that is illegal, contrary to morality and decency or to public order, nor shall it contain content that infringes the rights of third parties.
- h) Establishment of the link in no case implies the existence of relations between the **COMPANY** and the owner of the web page and/or application, or the acceptance and approval by the **COMPANY** of the content or services offered to the public therein.

The **COMPANY** may request, at any time and without the need for justification in the request, that any link or hyperlink to the Website and/or the Content be removed. In such case, the party responsible for the website and/or application that publishes the link must immediately remove it.

Access to other web pages of third parties through these connections or links shall be undertaken under the sole responsibility of users, with the **COMPANY** having no liability whatsoever for any damage that may arise from such use or activities.

The **COMPANY** makes its content available in the territory of Spain.
